Enhanced Online Directory Listing

With online research and information becoming increasingly prevalent, website advertising is one of the easiest ways to attract impulse hits to your website! The Sacramento/Sierra Nevada Chapter of MPI offers you multiple ways to get your name and logo in front of your target audience. Our chapter has over 230 members from key companies and associations in the greater Sacramento area and the Northern Nevada Region. Our membership demographic is made up of association planners, corporate planners, independent planners and government planners along with our valued supplier partners. Most association planners book events throughout California and Nevada and a large number of our corporate and independent planners book meetings and events throughout the United States as well as internationally.
