MPISSN Committee Descriptions

Advertising Committee

Promotes advertising opportunities for the chapter newsletter, directory and website.

Annual Event Committee

Oversees and develops the annual silent auction and dinner event held in June at the end of each chapter year.

Audit Committee

Provides a fiscal review, as well as conducts a review of administrative and financial records.

Awards & Recognition Committee

Solicits nominees for approved chapter awards. Evaluates nominees using established criteria and selects award recipients. Examines the feasibility of developing additional chapter awards.

Community Outreach Committee

Develops and presents plans for the interaction of the chapter with the greater Sacramento and Northern Nevada community in programs for public benefit.

Golf Committee

Creates and executes annual chapter golf tournament.

Member Care Committee

Provides services to members, including member orientation and the *buddy system* and helps meet individuals' needs once they become MPI/S members.

Membership Recruitment Committee

Plans and develops programs for the recruitment and retention of MPI Sacramento/Sierra Nevada Chapter members.

Programs and Professional Development

Creates and executes regular monthly and stand-alone programs including extended program sessions of special interest to support the chapter members' industry knowledge.

Publications Committee

Oversees implementation of editorial policy and production of the chapter newsletter and annual membership directory.

Public Relations Committee

Organizes and distributes Chapter information to the trade and general press.

Nominating Committee

Establishes and/or complies with procedures for the nomination and election of Chapter leadership and replacement of vacancies. The Immediate Past President chairs the Nominating Committee; the President Elect is always a member of this committee.

Special Education and Projects

Oversees various programs that support members as they pursue additional education including the CMP and CMM designations.

Special Events Committee

Creates and executes programs of wide interest to attract members and non-members. May serve as fundraising activities for the chapter.

Strategic Alliances and Partnerships Committee

Develops partnerships with suppliers and members who support the chapter as luncheon program sponsors and Strategic Partners.

Website Committee

Ensures information on the website is current and serves not only as a portal for current and prospective MPI Sacramento/Sierra Nevada Chapter members but also as a source of revenue.
